Import of Copper T From U.S. Firm

1688. SHRI KRISHNA KUMAR BIRLA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether the entire consignment of copper T 200 Bs imported by Government from U.S. was found to be defective;

(b) whether an earlier consignment of copper T imported from the same firm was also found sub-standard and below the specifications laid down;

(c) if so, what is the cost involved in terms of foreign exchange;

(d) what are the terms and conditions of any, laid down for the import of copper T 200 Bs from the American firm; and

(e) what steps have been taken by Government for the supply of sub-standard copper T 200 Bs by the American firm?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI B. SHANKARANAND): (a) No, Sir.

(b) Components of copper Ts were received by Hindustan Latex Limited, Thiruvananthapuram from the firm as commodity assistance by UNFPA. Some of these components on test in India did not conform to the US-FDA approved Population Council standards and, therefore, could not be used.

(c) Since the supplies were received as commodity assistance, no outgo of foreign exchange was involved.

(d) The agreement between Hindustan Latex Ltd. and the American firm provided that all components should meet the US-FDA approved Population Council Standards.

(e) The Government appointed a Technical Committee under the Chairmanship of Drugs Controller (India). The Committee had the components re-tested and those conforming to Bureau of Indian Standards have been recommended for use in the National Family Welfare Programme.
